Rotary International Official Licensees

Did you know that there are approximately 230 licensed vendors of Rotary International who are authorized to provide Rotarians with Rotary International emblem merchandise?

As part of its responsibility to maintain and preserve the Rotary Marks, the Rotary International Board of Directors established and maintains a licensing system. Any individual, company, or Rotary club/district wishing to manufacture or sell merchandise containing the Rotary name, the Rotary emblem, or any of the other Rotary Marks must be licensed by RI. Any unauthorized manufacture or sale of merchandise containing the Rotary Marks, in any form, infringes on RI's trademark rights.

By licensing vendors or manufacturers of merchandise bearing the Rotary Marks, RI maintains control over the reproduction and use of the Rotary emblem and other Rotary Marks and ensures accurate and faithful reproduction of the Rotary Marks on quality merchandise.

Rotarians are encouraged to purchase merchandise bearing the Rotary Marks only from authorized licensees of RI. Please refer all licensing inquiries to:
